

## **“We Spoke and No One Listened”**

*According to the 2018-2021 Orange Board of Education and Orange Education Association Collective Bargaining - Memorandum of Agreement #2 of 2, there will be an increase to the workday for teachers and paraprofessionals. For the 2019-2020 school year, the high school teachers'/paraprofessionals' workday will increase by 25 minutes, while the workday for OPA and the Elementary teachers'/paraprofessionals' workday will increase by 20 minutes.*

The week of March 4th, the Orange Board of Education asked for building staff members to complete a survey, created by the OEA, to have input on how this additional time should be added for the next school year. We answered, but our voices were not heard! We must voice our concerns, LOUDER, at the next Board Meeting on Tuesday, April 9th at 7PM in the OPA Auditorium.

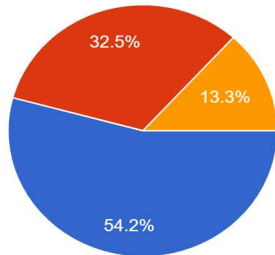

**\* To show solidarity, please wear your OEA shirts Tuesday to school AND to the Board Meeting! \***
