Re: E-learning Concerns

Good Evening OEA Members;

I hope this letter finds you all adjusting to our new “normal” in education, E-learning. I also pray that you and your loved ones are staying safe and well during these crazy times. This letter is being sent to you to ask for your input on the most significant challenges you are facing this school with the online learning program established in the Orange School District. Each building has a point person that you need to send your **TOP TWO** concerns to. You may send that email with your concerns to either their personal email or their school email. Your name WILL NOT be attached to the concern you share. Each building in Orange will be compiling a bulleted list of concerns.

Your point person needs to receive your concerns by no later than 5:00pm on Wednesday, September 16, 2020. This will allow Brian and I time to prepare for our presentation on Thursday with the Superintendent and his team at our monthly meeting. Our hope is to shed light on the exorbitant amount of responsibilities being expected of the staff this school year as compare to last Spring. If you have very personal concerns to share, those can be sent to my personal email.

Lcatanzarite21@gmail.com

Please know that the OEA Executive team and the Representative Council truly appreciate ALL of your efforts in making E-learning as successful as possible for the students of ORANGE! YOU ARE AWESOME!

Respectfully,

Lisa Catanzarite
OEA President
