Re: OEA General Membership Meeting

Greetings Orange Education Association Members:

As you are all well aware, we are slated to return to school buildings the week of Monday, February 22, 2021 and the students are to join us the following week. Many of you have expressed your concerns about returning, as well as your struggles to procure accommodations to teach from home. Please know that your concerns and fears have not fallen upon deaf ears. In that light, the **executive committee has scheduled an emergency membership meeting tonight via Zoom from 7:00 - 9:00pm.** Our Uniserv representative, Mr. Delgado, will guide the discussions about our possible courses of action. Mr. Delgado has requested the following protocols when joining the meeting:

1. We will not have the option to call into the Zoom. Mr. Delgado has disabled this feature in order to establish a security protocol to ensure it's only our members who are in the meeting.
2. The members must turn on their camera in order to verify identity.

Please find the meeting information below. All members are expected to attend.

Time: Feb 11, 2021 07:00 PM Eastern Time (US and Canada)
